

# ZXCHEM Specialty Chemicals Product List

A concise product portfolio for industrial, specialty, and formulation applications.

| No. | Category                    | Products |
|-----|-----------------------------|----------|
| 01  | Crop Nutrition & Protection | 23       |
| 02  | Oil & Gas Additives         | 68       |
| 03  | Mining Chemicals            | 19       |
| 04  | Water Treatment             | 17       |
| 05  | Food Additives              | 44       |
| 06  | Intermediates               | 27       |
| 07  | Microbial Control           | 19       |
| 08  | Paper Making                | 7        |
| 09  | Personal Care               | 18       |
| 10  | Plastics & Rubber           | 61       |
| 11  | Surface Treatment           | 9        |
| 12  | Other Chemicals             | 45       |

Total listed products: 357. Product availability, specifications, packaging, and regulatory status should be confirmed before quotation or shipment.

| Product Name                                                         | CAS No.                                                                  |
